

N the one hundredth year of Mississippi College's existence, the 1927 Tribesman comes from the press to take its place in the cold. cold world within the long line of its illustrious forebears. It has been our purpose underlying this volume to portray something of the spirit that has lent to the progress of Mississippi College, and to record accurately and effectively some of the events of the past year, which we hope you will find reflected, though perhaps imperfectly, in these pages. So, claiming no more for itself than good intentions, it humbly awaits your judgment.

TO John William Provine, Ph.D., to show our appreciation to this gentleman, scholar, and administrator for his broad vision of progress as builder of Mississippi College; we most loyally dedicate this the third volume of the Tribesman to our excellent president, who has developed Mississippi College from a secondary place among colleges to the superior rank which it has now reached; and to him who has encircled all Mississippi College men with highest ideals of our best traditions.

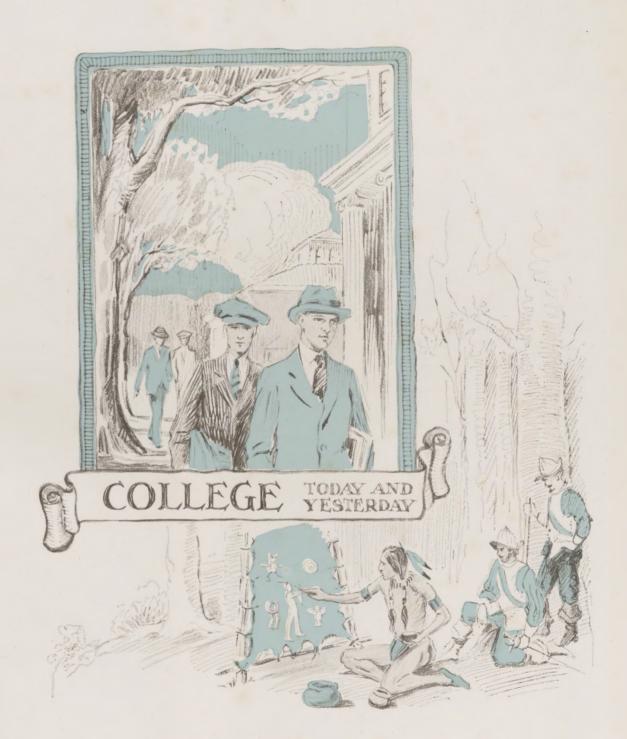

Dr. John William Provine

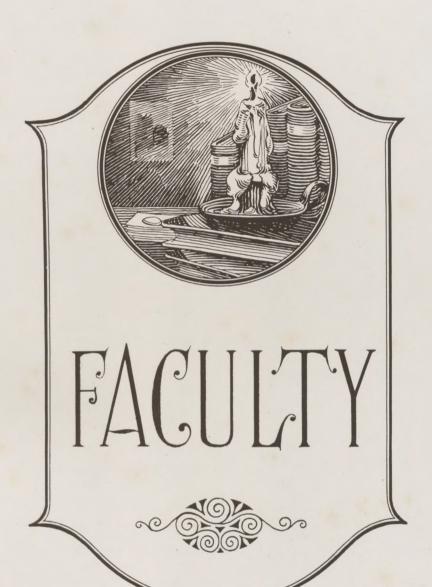

IN MEMORY OF D. B. CHAIN

Who was loved and admired by all, because of the noble and beautiful life that he lived and his unselfish sacrifice for the Choctaws.

The College of Yesterday

A COMMON CAMPUS SCENE OF THE '90'S

ONE HUNDRED YEARS OF MISSISSIPPI COLLEGE

AMSTEAD Academy, located at Clinton, Miss., was incorporated by legislature enactment on January 24, 1826. The school

opened its first session in January, 1827, with G. F. Hopkins as principal, and enrolled during the term thirty pupils. Both boys and girls were admitted, but they were taught in separate rooms.

In February following the opening of school the legislature submitted the charter, changing the name of the institution to Mississippi Academy, and authorizing the trustees to raise \$20,000 for buildings and endowment by means of a lottery.

In 1829 the legislature passed another act "for the benefit of Mississippi Academy," appropriating \$5,000 to the institution to be expended in the erection and completion of its buildings.

There is evidence that the school was at this time in a thriving condition. Daniel Comfort became principal in 1829. By the aid of the loan from the state two new buildings were completed in 1830, one for the girls and one for the boys. The legislature of that year again amended the charter, changing the name to Mississippi College and authorizing the trustees to con-

fer degrees. In June, 1832, the college conferred the degrees upon its first graduating class, consisting of two young ladies.

During the fall of 1836 the vacant position of president was filled by the election of Professor E. N. Elliot, a graduate of the University of Indiana, who arrived in Clinton in January, 1837. The female and male departments were divided into separate departments at this time, with the female department being the most prosperous. The curriculum of the female department at this time included Latin, Greek, French, Music, Painting, Gilding, Embroidery, Shell and Wax Work.

After 1833, however, the state government had taken no further steps toward making the college a state supported institution. The legislature controlled the college, in a measure, through its power to name new trustees, but state funds were no longer turned to its aid. After 1841, when the legislature had selected Oxford as the site of the University to which it expected to devote its funds, the trustees then determined to seek the backing of one of the great religious denominations of the state.

They turned first to the Methodist, but

MISSISSIPPI COLLEGE RIFLES, 1896-97

failed to interest the Methodist denomination in the college. In 1842, they offered their property to the Clinton Presbytery of the Mississippi Synod, and the offer was accepted. The local board of trustees of the college thereupon elected as their successors the gentlemen nominated by the Clinton Presbytery and then resigned, thus effecting the transfer of Mississippi College into a denominational school without a change of the school's charter. Rev. Alexander Cambell was elected the new president.

In 1846 the dissension between the "Old School" and the "New School" Presbyterians began to have its effect upon the fortunes of the college. The "New School" won a majority in the Clinton Presbytery, and displaced the president of Mississippi College, who was of the "Old School" and elected as his successor the Rev. Simeon Colton, an adherent of the "New School." After two years President Colton, tempted by a better position elsewhere, resigned, and the trustees promoted to the presidency Rev. Considor Parish. The division in the denomination was injuring the school seriously and as financial difficulties began to accumulate, the trustees of Mississippi College found their responsibility growing irksome. Suddenly a new possibility of converting the school into a state institution opened before them. The Board made the offer to the legislature, but the offer was turned down because of the school plant being too extensive.

For two years the school struggled along under the presidency of the Rev. Parish, finding an inadequate support and becoming more or less involved financially. In the summer of 1850 the Clinton Presbytery severed connection with the college. The citizens of Clinton now had a college on their hands, and were at a great loss as to know what to do with the school. They finally decided that the college be tendered to the Baptist State Convention. In the fall of 1850 at the meeting of the Baptist State Convention the tender was accepted and Mississippi College became the property of Mississippi Baptists.

The Baptists at once began making plans for a large endowment and setting high ideals for the college. By 1855 over \$100,-000 had been raised for an endowment. The class of the session of 1852-53 was marked by the publication of the first college catalogue. The Freshman and Sophomore classes were organized by this time and by 1855 all four classes had been organized. The trustees appointed by the convention commenced work with one teacher and fourteen small boys, but by 1855

THE FACULTY, 1888-89

had grown to five teachers and one hundred and thirty boys. In 1859 money was raised and the contract let for the erection of a chapel building. This building was completed by 1860 at a cost of \$25,000.

The Civil War brought about almost complete destruction of the college. Work had to be suspended for several years during the war and was not resumed until in the fall of 1867. Rev. Walter Hillman was elected president of Mississippi College in 1867. The great problem of President Hillman throughout his administration was to clear the college of the burden of debt. Through the aid of his wife, Mrs. Hillman, the president was very successful in clearing this debt. President Hillman resigned in 1873 and Dr. W. S. Webb took his place as president. The curriculum was reorganized under the supervision of President Webb. Three degrees were offered by the institution: Bachelor of Arts, Bachelor of Science and Bachelor of Literature.

The Convention of 1879 passed resolutions, which brought the Board of Trustees more completely under the authority of the convention and gave greater security to the prosperity and to any endowment that might be secured. For more than ten years the question of endowing the college was quies-

cent. In 1889 the Board of Trustees decided that the time was ripe and Dr. J. B. Gambrell was sent into the field to secure subscriptions. He succeeded in raising \$60,000 within three years.

In 1891, President Webb resigned his position as administrative head of the College. Dr. R. A. Venable, an alumnus of the college, was elected to the presidency to succeed Dr. Webb. The plan of organization of the four classes was reorganized, leading to the degrees of Bachelor of Arts and Bachelor of Science.

In 1892 the Mississippi Baptist Convention brought up the question of the removal of the College to Meridian. The proposition was soon withdrawn by the citizens of Meridian, because of the contention of citizens of Clinton. Dr. Venable retired from his connection with the institution in 1894. The college was without a president for two years. In 1897 Dr. J. W. Provine was elected to the presidency, but served only one year. Dr. W. T. Lowery, president of Blue Mountain College, was selected by the Board of Trustees to take over the presidency of Mississippi College, and entered into his new duties in September, 1898.

The administration of Dr. Lowery's was marked by the rapid development of the college along various lines. The endowment

FIRST INTERCOLLEGIATE BASEBALL TEAM, 1901

was enlarged, the patronage was largely increased, new buildings were erected, new departments of instruction were added, and the curriculum was strengthened.

In 1905 Captain Z. D. Jennings gave the college \$20,000 for a Memorial building. This was the beginning of a building campaign, which resulted in the erection of two new buildings in 1907 and a third in 1911. These buildings were Jennings Hall, a three-story, fire-proof dormitory; a large one-story dining hall, and the new science hall, a three-story building.

From a standpoint of patronage Dr. Lowery's administration surpassed all previous history of the college. In 1910-11, his last year as president of Mississippi College, the enrollment was about 400. However, a large proportion of these were preparatory students.

In 1880 there was organized in the institution a "Military School," with the purpose to secure a proper development of the physical system, to promote habits of promptness and to encourage economy in dress. During the session of 1886-87 the military school was reorganized into two military companies which took the names, Mississippi College Rifles and Mississippi College Invincibles.

In the spring of 1911 President Lowery announced his retirement from his connection

with Mississippi College. The Board of Trustees, however, called to mind the short but efficient administration of Dr. J. W. Provine, who was for the second time elected president of the college and accepted the responsibility.

The administration of Dr. Provine, beginning in the fall of 1911, is not complete, and it shall be the task of some future historian to appraise his achievements. We shall venture, however, a brief summary of the attainments since it passed under the direction of Dr. Provine.

In November, 1911, the Mississippi Baptist Convention approved the plan of launching another campaign for a large endowment, new buildings and better equipment. Two hundred thousand dollars was raised by the people of Mississippi and the General Education Board of New York gave \$100,000.

The result of the campaign was the erection of two new buildings, the science laboratories were equipped, and the vested endowment was increased to nearly a quarter million. The first of the buildings resulting from the campaign was called Ratliff Hall, in honor of Captain W. T. Ratliff, who for forty years was president of the Board of Trustees of the college.

This building, a three-story brick dor-

mitory, which will accommodate about one hundred boys, was completed in 1913. The second building was the library building, which, in addition to providing facilities for the college library, contains a number of class rooms, and provides on the third floor permanent quarters for the literary societies. This building was completed in 1914.

In 1912 Captain J. M. Crestman deeded to Mississippi College 997 acres of land in the Mississippi Delta, which land was to be sold and the funds used to erect a memorial building to his son.

The Preparatory Department, which had been a part of the college from the beginning of its history, was abolished, and the Mississippi College Academy was established in its place. Three years later the Academy was discontinued, leaving only the college course of four years. For several years the institution has been offering one year of resident graduate work leading to the degree of Master of Arts.

In the fall of 1924 a third building program was begun and has not ended at the present writing. Three new buildings have been completed and many improvements made in the class rooms and on the campus. The first of the buildings resulting from the campaign was the Alumni Building, which resulted from the free will offerings of alumni, students and friends of the college. This building, a four-story brick structure, contains the dressing quarters for all athletic teams, a swimming pool, basketball court, offices of the various college organizations, and other facilities, such as guest rooms, two ladies' rooms and reception halls. The second of these buildings was erected as a memorial to the son of Captain J. M. Crestman. This building, a three-story brick dormitory, which will accommodate about two hundred students, was completed in 1926 and is one of the best of its kind to be found anywhere. The third building to be completed during this campaign was a modern hospital. This building was also completed in 1926. Much credit is due Dr. R. W. Hall and Mr. B. B. Jones for the erection of this building. The suggestion for the erection of this last building was given by the Baptist Church of Grenada, Mississippi, which was supplemented by the largest donation given on the building.

The history of Mississippi College would not be complete without some account of the two literary societies.

The Philomathean Society was organized on October 16, 1846, and the Hermenean Society was organized in 1854.

From early times the two societies have published a college paper. The first of these publications made its initial appearance during the session of 1870-71, and was called the Mississippi College Star. By 1883 the two societies were publishing The Electric Light. The name of the College paper was again changed in 1888-89 to the Mississippi College Magazine. This publication was continued until 1916, when it was supplanted by the weekly paper, The Mississippi Collegian.

For a number of years Mississippi College has desired membership in the standardizing association known as the Southern Association of Colleges and Secondary Schools, but the endowment was insufficient to meet the high standard of the organization. In 1922 the Mississippi Baptists raised \$250,000 and added to the endowment fund of Mississippi College. The General Education Board of New York thereupon donated \$125,000 more to the same fund, this bringing the total endowment of the College from \$250,000 to \$625,000.

When the Southern Association of Colleges and Secondary Schools met in New Orleans in December, 1922, Mississippi College was admitted to full membership, thus fully establishing the institution in its claims of doing standard scholastic work.

"Jackson! Jackson!" A pitiable plea for free transportation that may be heard above the uproar of passing traffic any day in the week.

The final glance before attempting to beard "Tite" Wallace in his den. Note the studious but hopeless expressions on "Wild Bill" Hickman's and Upton Black's faces.

No, it is not a fight! Just a typical Choctaw "Bull Session."
Doubtless no one knows exactly what it is all about, not even those taking part.

Patiently, hopefully, and prayerfully anticipating a "cut" when the "Prof" has not appeared on the scene on schedule time. Oh, well, such has occurred during a college career.

Just working up a little appetite while waiting for the first clang of the "chow bell." Ere long the dining hall will echo the sounds of clashing teeth and plates!

HUGHEY

Senior Class Officers

Senior Class Poem

At the end of a year, Mississippi, We have paused in your castle of Fame; And we trust, most of all, Mississippi, To bestow bits of praise 'on your name. It is well that we've stopped in the shadows, As a worshipper who kneels at his shrine; And bask in the rays of your windows With a reverence that's calm and divine. 'Tis a mem'rable record that's showing, Full a century of service well done; For high-lights of victory are glowing, Like the majesty of a morning sun. As your Seniors today, Mississippi, We withhold not a beamlet of praise; For we think of the day, Mississippi, When your past shall be written in lays. Thus we dream once again, Mississippi, Of a world that is filled with your men; And it thrills all our hearts, Mississippi, To behold that we have but to win.

GEORGE JUDSON THORNTON

OF

ETHEL, MISSISSIPPI

B.A. Degree; Class Football (2, 4); Class Basketball; President Education Club; Honor Council; Executive Council; Anniversarian; Vice-President Y. M. C. A.; Philomathean.

In the fall of 1923 Attala County sent to Mississippi College one of the best and most likable boys that have ever graced the campus. He at once set about taking part in all college activities and making friends with all those with whom he came in contact. His quiet, unassuming manner in all things would cause one to think him only an ordinary man, but such is a mistaken idea. He is modest, clean, ambitious, witty, and has a very taking effect with the ladies. George has proven himself a leader. His influence here on the campus could not be estimated. We expect many great things of him in the future. A brilliant professor, they say he will be. Let us rejoice with him in every forward step.

B. G. HORTON

OF

TIPLERSVILLE, MISSISSIPPI

B.A. Degree; Freshman Foctball; Class Football (2, 4); Scrub Football; Class Basketball; All Offices Philomathean Society; Second Orator Philomathean Anniversary Ticket; President Three-Year Club; Member College "Y"; Vice-President Student Body; Philomathean.

"To play the game for all there is in it,
To play the game and play to win it."

This young man decided that he had rather have a college education than be a farmer in the hills of North Mississippi, so in the fall of '24 he packed up his troubles and landed in the Choctaw camp. B. G. has had the privilege of being with us for only three years, but he has proven his ability by finishing the required work in the three years. During this time he has been a loyal member of the Class of '27. At no time could it be said that B. G. was a one-sided student. On the athletic field, in the class room, and in church activities, his influence has been greatly felt. He is a gentleman in every respect, but not afraid to express his opinion.

On whatever stream of life's activities you decide to paddle your canoe, may you paddle it with the greatest success is the earnest wish of your classmates, B. G.

ROBERT F. SMART OF BLYTHEVILLE, ARKANSAS

B.A. Degree; President of Sophomore Class; Fellow in Biology (2, 4); Tribesman Staff (2); Member Honor Council (2, 3); Member of Executive Council (2, 4); Director of B. Y. P. U. (3); President Pre-Med Association (3, 4); Fellow in Modern Language (4); Special Distinction.

"Professor Smart" has probably been unanimously elected to more offices than any other man in the class, and certainly he deserves all the honors he has received. There is without a doubt no man in our midst who ranks with this man in intellect or learning. To make a long story short, he is nothing less than a genius. Besides this, he is a clean, big-hearted and faithful fellow, who can be depended on at all times and in all things. Robert plans to be a physician, and he may feel sure that the pulse beats of the entire student body are seventy-two to every minute for his success. To Dr. Smart: May he ever be right, but right or wrong, a smart doctor, a clean man, and always our friend.

ANGUS LESLIE EMERSON, JR.

OF

HERNANDO, MISSISSIPPI

B.A. Degree; Band; Orchestra; Editor and Chief of "Tribesman;" President Medical Club; Manager Jennings Hall; Member of Honor Council; Philomathean.

Among those faithful ones who have borne the heat and burden of four years of study here at M. C., we have an outstanding example of what a man can really do. Angus is quiet, easygoing, unassuming; nevertheless, his record since we have known him has been one of scholastic accomplishment and feminine excitement. As editor and chief of the Annual, Angus has proven himself a good leader, always busy, but never too busy to help whenever his help was asked for. He has given many of us reason to remember him long after the Class of '27 has scattered in regions remote to Clinton. But we know we will hear from him again, and that his list of achievements will continue to grow with the passing years.

CHARLES CLIFTON MOORE

OF

CARTHAGE, MISSISSIPPI

B.A. Degree; Class Football (2, 3); Class Basketball (2); Varsity Football (3, 4); Varsity Basketball (2, 3, 4); Captain Basketball (4); Executive Council (3, 4); Honor Council (4); Athletic Council (4); President of Student Body (4); "M" Club; Hermenian.

During his four years as a student of Mississippi College "Hot" has proved himself a man of character and ability in every respect. As president of the student body this year, he has shown much dignity, precision and discriminating judgment. As an athlete, his ability could not be excelled by many. On the football field, "Little Hot" has shown the determination and fight that characterizes him elsewhére. His ability as a basketball player is shown by his being elected captain this year. Charlie, you may continue to be the "all-round" man after you leave us, and we know you will succeed.

W. ERLE HUGHEY OF

SLOAN, IOWA

B.A.; Class Track (1, 2, 3, 4); Manager Class Track (3); Class Basketball (3, 4); President Lovelace B. Y. P. U. (2); President Aven B. Y. P. U. (4); Honor Council (4); Cheer Leader (4); "M" Club (4); Class Football (4); Secretary Senior Class; Manager Ratliff Hall (4); Y. M. C. A. (3, 4); Philomathean.

Class; Manager Rathii Hall (4); Y. M. C. A. (5, 4); Philomathean.

Erle came to Mississippi College a quiet, unassuming freshman, but since that time he has made himself one of the school's leaders. His whole character may be described in one word—stability. As a good student, Hughey is also at the top.

Erle was the very efficient cheer leader of the Choctaws this year, and he has placed the old pep on the very best plane.

Erle has proven his ability in every field of college activities. He is a good student, a true friend, and a man worthy to be called a "Choctaw." He demonstrated his athletic ability on his basketball and football teams. He is the kind of man we are proud to claim as a member of the Class of '27. May success crown your efforts in life, Erle, as it has in your college career is the wish of your classmates.

WILLIS L. McILWAIN

OF WAYNESBORO, MISSISSIPPI

B.A. Degree; Class Football (2, 3, 4); Varsity Scrub (4); Class Baseball (3, 4); Class Track (1, 2, 3); President Commercial Club (3); Secretary and Treasurer Bar Association (3); President Bar Association (4); Y. M. C. A. (3, 4); Student Body Attorney (4); Literary Editor Tribesman (4); Honor Council (4); President Senior Class; Philomathean.

Class; Philomathean.

Waynesboro has the honor of sending to Mississippi College the president of the Class of '27. A good mixer, a true friend, a tireless worker, and a man of honor—that's "Mac." After all is said and done, about the greatest asset that any college man can claim is the ability to make and hold friends. When it comes to this point we can give "Mac" a grade of 100 per cent. Mac's pleasing personality, his quiet and unassuming disposition, and his courage of his convictions make him a man respected and loved by the student body. As president of the Class of '27 he has proven himself a most efficient and dependable leader. He has chosen law as his life's work, and we predict that you will hear of "Judge" McIlwain. Your classmates wish for you, "Mac," the best of luck in your future activities. May you ever fight the game of life as a true Choctaw—clean and hard.

J. PAUL GATES

OF

LAUREL, MISSISSIPPI

B.A. Degree; Class Tennis (1, 2, 3, 4); Varsity Tennis (3, 4); Secretary and Treasurer Tennis Team (3); Captain Tennis Team (4); Glee Club (3, 4); Assistant Business Manager of Tribesman (3); Business Manager of Tribesman (4); M. W. C. Club; Philomathean; Ministerial Student.

When the doors of M. C. opened in the fall of '23, Paul came along with the rest of us, matriculated, and started out to learn the secrets of preaching. During his brilliant career he has won several distinctions for delivering the goods. His honesty, public spirit, and real ability have distinguished him in campus activities. For three years Paul was immune to the love darts of Dan Cupid. But alas! One hot summer day a fair "Wildcat" happened along and caused our loyal classmate to change his motto from "Love 'em all," to "I love you, that's all."

As our genial classmate enters the dawn of a new era, we watch with sadness his parting from the watchful care of his Alma Mater. Paul, we know that success awaits a fellow of your caliber, and may you climb to the highest heights in your chosen profession.

JAMES DAVIDSON TAYLOR

OF BROOKHAVEN, MISSISSIPPI

B.A. Degree; President Freshman Class; Varsity Debating Team (1, 4); Glee Club (1, 2, 3, 4); Band (1, 2, 3); President Glee Club (2, 3, 4); President Band (Fall 3); Assistant Cheer Leader (3); President Mississippi S. V. U. (3, 4); National Executive Committee S. V. U. (3); National Council, S. V. U. (2, 4); Orchestra (2); Quartet (1, 2, 3, 4); President Music Club (4); Chairman Senior Program Committee (4); Birmingham and Indianapolis Delegate, S. V. U. (1, 4); DeMolay, Ministerial Student; Philomathean.

Among the finny tribe that poured in upon us on a certain September day in '23, we will always remember Dave, because he led us through our year of exceeding ignorance. He came to us from Brookhaven, Miss., where he had made a splendid record in high school. In forensic fields, scholastic spaces and spiritual realms, this potential person has soared among the scintillating lights of our collegiate universe, and none has been more scintillating than he. As he looks forward to a life of service in the ministry, with the inestimable qualities of worth and merit inwrought in his character, we feel that the church will find in him a leader true to her traditions, faithful to her cause, and worthy of her honor. We are expecting great things of Dave, if he ever reaches the limit of his possibilities.

FRANCIS HOLT MONTGOMERY

OF

LAUREL, MISSISSIPPI

B.A.; Glee Club (3, 4); Quartet (3, 4); Woman's College Club (2); Philomathean.

"Peter" blew into camp in the fall of '24 with a whole crowd of recruits from down about Laurel. He has led them a merry chase and finishes at the end of three years. He is a ladies man, and "Peter" can always be found where there is women and fun. He is a good student and is loved by his many friends. Holt has a great talent for music, his work on the Glee Club will always be remembered. We admire him for his grit and determination, and hope for him a glorious future. him a glorious future,

W. G. MARTIN OF Bentonia, Mississippi

B.A.; Class Basketball (1, 2, 3); Class Baseball (1, 2, 3); Literary Editor of Tribesman (1); Philomathean.

"W. C." is a man of steadfast character, sunny disposition, and sturdy will, well known and liked by all. He has never been known to be angry, and by his sterling qualities of manliness has so entwined himself about the hearts of his classmates that no one can ever forget him. Four years of persistent effort and natural ability have enabled him to finish his course, leaving a record of which anyone should be proud. Martin, we take pleasure in recommending you as a well-rounded man, one of few words, but when he speaks he says something worth while. He has shown his ability as an athlete on the class baseball and basketball teams. In whatever profession you enter, we predict great things for you in the future, and expect you to be one of the foremost men in the STATE.

NEWELL N. McALPIN OF

Mt. Olive, Mississippi

B.A. Degree; Graduate of Clarke College; Masonic Club (4); President Sullivan's Hollow Club (4); Varsity Football Squad (4).

"Mac" came to Mississippi College after two years spent at Clarke College, where he won the friendship of all those who knew him. He was president of the senior class at Clarke, and won many other honors. "Mac" has been a true friend, a faithful worker, courteous, and an all-round good fellow since coming to Mississippi College. As an athlete he has also proven his ability. In his same quiet, steady, tenacious way, we expect "Mac" to continue the upward way unutil the goal of his ambition is reached.

THOMAS R. HEARN OF

BAY SPRINGS, MISSISSIPPI

Tennis Team, '21, '23, '27; Class Basketball, '27; Class Football, '22, '27; Glee Club, '22, '24; Masonic Club, '27; Aristrophronic Club, '27; Three-Year Club; Distinction.

Tommy has been known to the Class of '27 for only one year, but during this time all members of the class have learned to love and admire him. His abundant supply of determination, fair-mindedness, loyalty, and cheerfulness, together with all the good things needed to make a gentleman, have carried him to the top in all undertakings. He has made the "stute" a gentleman have carried him to the top in all undertakings. We predict for Tommy a successful career in anything he undertakes.

FRANKLIN HARDY JONES

OF

VICKSBURG, MISSISSIPPI

B.A. Degree; Class Track (1, 2); Freshman Baseball; Varsity Baseball (2, 3, 4); Class Basketball (1); Hermenian.

"Take it easy, have your fun, and let the old world flicker on."

"Vicksburg," as we all know him, came to the wigwam in the fall of '23 from the city whose name he bears. Never did a class have a more loyal member than "Vicksburg." He was always ready to help his class, whether on the athletic field or in the class room, "Vicksburg" is gifted with plenty of common sense; he is a faithful friend. With his quiet, unassuming, general good nature, he is universally popular with the student body. He has shown ability and a determination in his school work, and we are sure that he will show the same spirit when tackling life's problems outside,

LEWIS H. WILSON

OF CLINTON, MISSISSIPPI

B.A. Degree; Captain Freshman Football; Freshman Basketball; Varsity Football (2, 3, 4); Captain Football (4); Varsity Basketball (2, 3, 4); Vice-President of Freshman Class; Secretary-Treasurer of Junior Class; Athletic Council (3, 4); "M" Club; Philomathean.

"M" Club; Philomathean.

"Scout" is truly a product of Mississippi College. He was one of the first present at the opening of college in the fall of '23. He immediately plunged into all the activities of his class and became one of its leading members. On the athletic field "Scout" became prominent at once, and has been an outstanding athlete during his four years here. As captain of football this year, he has led us through a very successful season. He is not only an outstanding athlete, but has also been an ideal student, finishing with a high scholastic record. Being popular with students and "profs," what more could one wish? We know "Scout" will go out and face the battles of life with the same courage and determination he has displayed on the athletic field.

EVA CLARA WILSON

OF

CLINTON, MISSISSIPPI

B.A.; Graduate of Hillman College

It is the misfortune of the Senior Class that Eva Clara has not been a member of the class through the four years. She entered college this fall with very good recommendations, and it did not take us long to perceive her sterling qualities. She possesses charm, vivacity, loveliness, and the capacity for holding friends. Eva Clara's friends are as numberless as her influence is boundless. She is a student of intellectual power and much wisdom. She has been a valuable acquisition to the Senior Class, and as you go from our midst, Eva Clara, our heart's desire is that as the Class of '27 says of you now, so may the world at large always say, "To know her is to love her."

J. M. CAUSEY OF MARKS, MISSISSIPPI

Freshman Football; Class Football (1, 2, 3, 4); Class Track (1, 2, 3, 4); "Stute" Club; M. S. C. W. Club; Philomathean.

Jack needs no introduction. He has been easy to know, and his friends here are legion. There are some rare spirits who have the happy faculty of spreading happiness and sunshine wherever they go, and all of us will remember Jack as a "gloom dispeller" with his merry laugh and free-hearted manner. In addition to this, he is a good student, a sincere friend and a loyal member of the class. Memories of our class will carry with them memories of you, Jack, and here's wishing you all the good things of life.

JOHN FRANCES MILLER

OF Monroe, Louisiana

B.A. Degree; Belhaven College (1, 2).

Frances is a girl who needs no such limping tongue as mine to sing her praises. She has been with us only two years, but during this time has proven to be dependable, efficient, impulsive, ambitious and very original. When I think of her leaving Mississippi College, my eyes become tear-dimmed and my throat becomes dry. What will we do without "Co-ed?"

We count ourselves better for having known you, Frances, and may all your years be as successful as your years at M. C.

ELLIS GRANBERRY TRAVIS

OF
HEIDELBURG, MISSISSIPPI

B.A. Degree; Class Football (1); Hermenian Freshman Debating Team; Collegian Staff (2); Editor-in-Chief Collegian (4); Athletic Editor the "Tribesman" (4); Chemistry Fellow (4); President Mississippi Intercollegiate Press Association (4); Marshal Hermenian Anniversary Staff (4); Bar Association; Hermenian; Distinction.

Although "Zeik" has been with us only three years, he has accomplished more in that length of time than most four students. It is hard to "write up" a fellow like Travis because one can't do him justice. He has always taken an active part in Student Body activities. To prove his real worth: "Zeik" is an assistant instructor in chemistry this year and is also editor of the Collegian. Under his leadershiv the Collegian has been the best weekly printed in Mississippi in a long time. None have striven to honor his college and his friends more than Ellis, and as he leaves us this year we can predict a great future for so true a Choctaw.

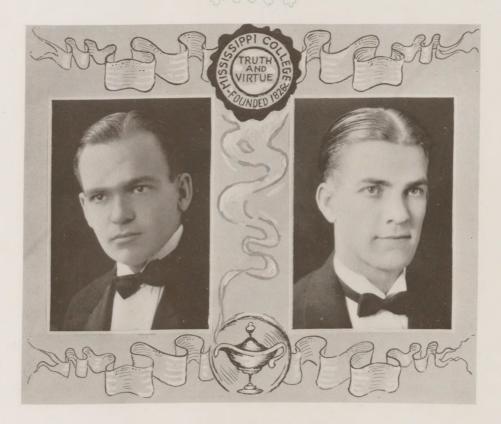

KEARNEY TRAVIS

OF HATTIESBURG, MISSISSIPPI

B.A. Degree; Freshman Track Team; Varsity Track Team (2, 3); Freshman Debating Team; Varsity Debating Team (3, 4); Trotter Medal (3); Secretary Debating Council (4); Three-Year Club; Bar Association; First Orator Hermenians Anniversary Ticket; Hermenian.

After three years and one summer of hard, honest work, Kearney is leaving us to go out among the many that have the privilege of calling Mississippi College their Alma Mater. Kearney is a splendid fellow, a true friend and a tireless worker. His record as a student is splendid, he having finished his college course in three years. To know him is to love him, and everyone is made better by having known him. Kerney has chosen law as his profession, and everyone predicts the greatest success for such a splendid and meritorious student.

JAMES CROCKETT BLACKWELL

OF COLLINS, MISSISSIPPI

B.A. Degree; Printer's Devil (1, 2, 3); Headache Orchestra (2); Glee Club (3, 4); String Quartet (3); Steel Trio (4); Eligible Midget Football Exam (4); Renewed Freshmen Compliments Lucky (2, 3, 4).

"Shortie" said that he believed the poet was right when he said, "A man's reach should exceed his grasp, or what is heaven for." Well, "Shortie" may not be much when it comes to height, but he has a multitude of other qualities that make him tower high above us. He knows when to play and when to work, and engages in both with all his soul.

As a musician, "Shortie" cannot be excelled by many. His work on the Glee Club and orchestra has been excellent throughout his college career.

He goes out this year. May success lie open to him as he goes from among us is the wish and desire of his classmates and all who know him.

RAY WENTWORTH

OF

MEADVILLE, MISSISSIPPI

B.A. Degree; Order of Good Fellowship; Lion Tamers Club (2, 3, 4); ball (1, 2); Class Football (2, 3, 4); Bar Association (4). 3, 4): Class Base-

"Eat, drink, and be merry, for tomorrow you may die."

To the folks back home he is known as Ray, but to every Choctaw he is known either as "Mule" or "Went." Always bearing a bright and congenial smile, "Went" goes about his duties in an easy-going manner. He has been a loyal member of the class for four years. As a student and a fighter he has shown plenty of ability, on the athletic field he has always shown the "Bulldog" tenacity which never admits defeat. "Went" is an orator of the old school, declaming, "Give me grub or give me death." Ray, may you ever battle the difficulties of life as you have during your college career at M. C.

CLAUDE E. ANDING, JR.

OF

FLORA, MISSISSIPPI

B.A. Degree; Class Basketball (1, 2); Class Baseball (1, 2); Philomathean; Special Distinction.

Successful! That is the only word with which to describe Claude's college career. High ideals and strong moral character linked with an attractive personality has won for him the friendship of both faculty and student body. By hard work and constant application he has achieved a splendid academic record. Mississippi College needs more men like you, Claude, because your record is one that might be envied. Memories of our class will carry with them memories of you, and in your chosen profession of medicine we wish you the greatest success.

WILLIAM S. RITNOUR, JR.

OF

GULFPORT, MISSISSIPPI

B.A. Degree; Class Tennis (3); DeMolay (3, 4); Secretary Education Club (3); Three-Year Club; Y. M. C. A. (3, 4).

William is an example of a conscientious and consistent worker. He is a real friend and a true Choctaw. To know him is to like him. Ritnour is a gentleman in every respect, and he is not afraid to express his opinion which, with his cool and typical thinking, he does in an exceptional manner. He is the kind of student that wins by hard work. With regret we say goodbye to a Choctaw, a gentleman, and a friend.

ROBERT WALKER SMITH OF

MAGEE, MISSISSIPPI

Well, here is "Bob." A more likable fellow never walked the campus of M. C. than this little handsome Choctaw from Magee, Mississippi. He has won a place in the heart of every member of the student body and faculty. He is widely known and admired by the members of the fairer sex. None of us fear bachelorhood for "Sir Robert." "Bob" never pretended to be a genius, but the man with his will and ability has an outlook of success. With regret we say goodbye to a Choctaw, a gentleman and true friend.

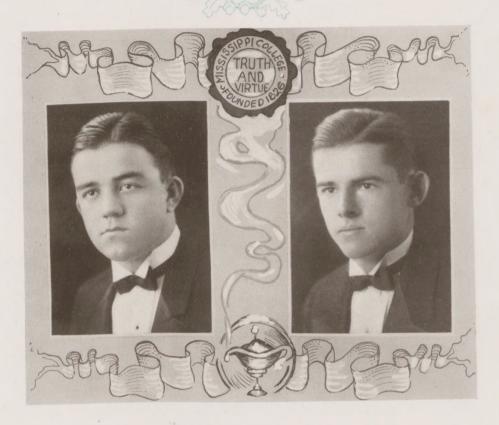

WALTER P. WILSON

OF

MERIDIAN, MISSISSIPPI

B.A. Degree; Commercial Club; Freshman Baseball (1); Class Baseball (1,2,3); Varsity Squad (2,3); Varsity Baseball (4); Education Club (4); Philomathean.

Walter came to us in the fall of '23 after finishing the high school of Meridian. He immediately won a warm place in the heart of every Choctaw. Although "Fool" is a great ladies' man, he is also great in other ways. With his pep, care-free nature, and spirit of congeniality, Walter will always be admired by his classmates. Here's wishing him the best success in life's work.

EUGENE L. BARNES OF

COLUMBIA, MISSISSIPPI

B.A. Degree; Freshman Football; Scrubs (2, 3, 4); Letter in '26; Bar Association Officer (3, 4); Class Track (2, 3); Class Football (1, 2, 3, 4); Tennis Two Years; Passed Tites Courses Each of Four Years; Vice-President of Senior Class; Philomathean.

Philomathean.

Four years ago when "Fatty" entered Mississippi College, "The Grand Old" gained one of its most loyal and substantial sons. He is a straightforward, hard, consistent worker, kind-hearted and dependable fellow. He is a real Choctaw.

"Fatts" college life has been filled with hard work in the classrooms, on the football field, and in student activities, as well as with other things that make the college course complete in M. C., such as going to "Stute" receptions and having an M. W. C. girl. His career is not one that dazzles the eye with brilliant flashes, but one of steadiness, loyalty and worthiness that draws from the eye a sincere look of admiration. We wish him well as he climbs the dizzy heights of prominence as a lawyer.

TOM SPIGHT HINES

OF RIPLEY, MISSISSIPPI

B.A. Degree; Freshman Football, '24; Clarke College, '25; Class Football (3, 4); Scrub Football (4); Bar Association; Philomathean.

Scrub Football (4); Bar Association; Philomathean.

In the fall of '23 as the birds were coming South, T. S. joined these southward bound on his way to Mississippi College. Though quiet and unassuming, he won the love and respect of his fellows during his first year here. The fall of '24 found him at Clarke College, where he was a leader from the first. The opening of school in '25 found him back again at M. C. with the same Choctaw spirit that has been his from the first day he entered camp. He came with a purpose in mind. That purpose was to give his best to the task at hand. To play fair, square and hard at whatever game he started—in the pursuit of his chosen profession, whatever it may be, the same indomitable spirit, loyalty, integrity and sunny disposition that has won for him an everlasting place in our hearts will win for him success.

THOMAS J. GIPSON OF

PHILADELPHIA, MISSISSIPPI

B.A. Degree; Commercial Club; Education Club; Two-Year Club; Hermenian; Distinction.

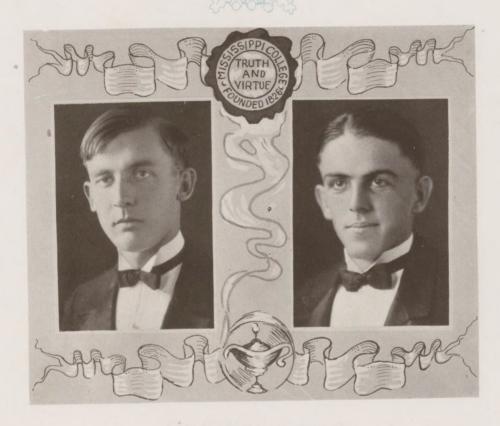

It is easy to eulogize a man with but few outstanding qualities—not so with Tommie. To attempt here to analyze the traits of character in one so well balanced. He is deliberate, yet modest, sure of what he says and does, but never assertive. He is a good student, and other things besides his work may claim his attention, but school work comes first with him. We are sure that the future will yield to him a splendid career. We know what you are, old top, and we expect nothing but the best from you in the future.

J. P. TAYLOR OF EUPORA, MISSISSIPPI

B.A. Degree; Class Football (1, 2); Class Baseball (3); Class Basketball (4); Orchestra (3); Band and Orchestra (4).

Paul is a fellow who can have a good time and yet he is serious enough to think things through. He has never failed to lend a helping hand to his class in any worth while undertaking. He is a man of real worth and dependability. "Paul." the whole tribe is watching you, and we wish for you the best of luck in your journey of life.

ARTHUR ALDREDGE ROEBUCK

NEWTON, MISSISSIPPI

B.A. Degree; Senior Class Poet; President Agoga Sunday School Class; Reporter Aristophonic Club; Varsity Football (4); Graduate Clarke College; Philomathean.

Aristophonic Club; varsity Football (4); Graduate Clarke College; Philomathean.

"Double A" came to us from Clarke College. He made a splendid record there during his two years stay. His achievements there promised great things for him here. He is a quiet fellow, deeply in earnest and with lasting fidelity and love for the Choctaws.

Roebuck demonstrated his athletic ability on the football team. He played guard, and his work was constantly a thorn in the side of all opponents. We are sorry that he has played his last game for the Choctaws.

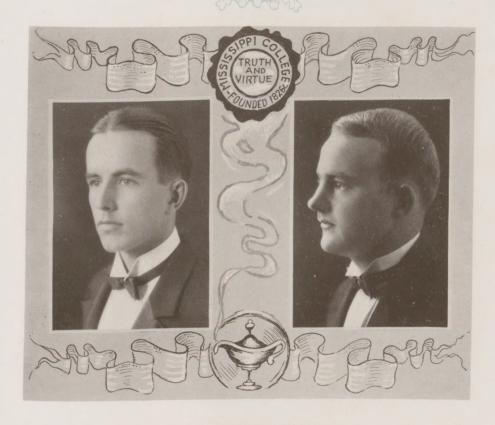

For real honest-to-goodness true worth, few men can equal Roebuck with his able mind and persevering application. He is a hard worker, a gentleman and a student, and he has the respect of the entire student body. We wish you success, Roebuck, in all your journey of life.

MR. ROBERT PHILIP SHANNON OF

WEST HELENA, ARKANSAS

B.A. Degree; Freshman Football; Baseball; Class Football (1, 2, 3, 4); Class Basketball (3, 4); Varsity Track (3, 4); Varsity Football (4); "M" Club; Philomathean.

Arkansas, the state of slow trains and gushing oil wells, can well be proud of one of its representatives in Mississippi College. Phillip, of "Ark," is a credit to his state, and we are proud to have him as a member of our class. He has been active in all lines of athletic endeavor, especially football and track, having won a varsity letter in both these sports. Small in stature, he has more than overbalanced this drawback with grit and determination. We hope to hear good tidings of ole "Ark" in future years.

WALTER EDWIN WATTS

OF

PELAHATCHIE, MISSISSIPPI

B.A. Degree; Class Track (2, 4); Cross Country (4); Class Basketball (2, 4); Scrub Football (4); Education Club; Special Distinction; Hermenian.

Walter has safely sailer the "stormy intellectual sea" in three years, a thing which only unusual students can do. In the classroom, on the campus, in society, or in church, Walter ranks among those who wish to serve. He certainly has given his best to M. C. and M. C. in return has given its best to him. It has developed him into a Christian with a strong mind, well able to meet and conquer the problems to be met on the "highway of life." Then, too, Walter has won a host of friends while here who will always remember him and wish him to succeed in life as he has in college.

L. D. SPELL

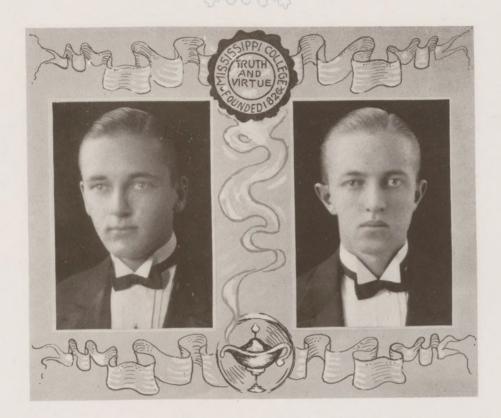

OF

GEORGETOWN, MISSISSIPPI

B.A. Degree.

Spell has the kind of personality that one remembers after leaving the campus. This is because of his fine traits, and because of his hearty bearing rather than because of any great amount of notoriety; about the only thing wrong with Spell is a stubborn beard, and when that adorns one of the pleasantest faces to be found. When better men are made they all become as he is—a loyal Choctaw.

WILBUR T. OSBORN OF LEARNED, MISSISSIPPI

B.A. Degree; Freshman Baseball (2); Education Club (3, 4); Vice-President Baraca Sunday School Class (3); Scrub Baseball (3); Philomathean.

Sunday School Class (3); Scrub Baseball (3); Philomathean.

Wilbur has been filled with the spirit of enterprise since the first day he walked upon the campus. Those of us who are fortunate enough to know him have learned that he is a man with a heart as big as a body could possess. He is a diligent student, and the student body has profited by his stay here with us.

He is not an athlete as athletes are generally described in college circles; yet he plays a good game of baseball.

Wilbur has made a host of friends during his stay here, and they all wish for him the very best of luck in life.

GEORGE C. OSBORN OF LEARNED, MISSISSIPPI

B.A. Degree; Collegian Staff (3, 4); Class Basketball (3); Class Track Team (3, 4); Assistant Manager Football (3); Manager Football (4); President Bar Association (4); Masonic Club (3, 4); Commercial Club (3); All Offices of Hermenian Literary Society; Class Baseball (3, 4); Hinds County Club (3); "M" Club; Hermenian.

George came to us in the fall of '24 from the Hinds County Agricultural High School. He soon found himself in the student body, and he will ever be remembered by those in his class and the student body as a whole.

George is a track man of no little ability, and during his senior year he has managed the varsity football squad. He is indeed a fellow of ability with many natural gifts. He has been in the midst of all the college activities, and could be counted on at all times to aid in everything for the upbuilding of the student body.

We shall miss you, George, and we extend our best wishes for your success.

CHARLES C. HUGHES OF

CHUNKY, MISSISSIPPI

B.A. Degree; Graduate of Clarke College (2); Fellow in Mathematics M. C. (3, 4); Class Basketball (3); Hermenian.

4); Class Basketball (3); Hermenian.

"If I cannot find a way, I will make one,"—Selected,
Charles came to us in the fall of '25 after spending two years at Clarke Memorial College,
He has shown his ability by serving as a fellow in mathematics for the two years that he
has been with us. In spite of the fact that he has been with us only two years, his diploma
from M. C. will bear the mark of "Distinction." We are sorry, Charles, that you did not spend
from M. C. will bear the mark of "Distinction." We are sorry, Charles, that you did not spend
from M. C. will bear the mark of "Distinction." We are sorry, Charles, that you did not spend
from M. C. will bear the mark of "Distinction." We are sorry, Charles, that you did not spend
from M. C. will bear the mark of "Distinction." We are sorry, Charles, that you did not spend
from M. C. will bear the mark of "Distinction." We are sorry, Charles, that you did not spend

from M. C. will be a mark of "Distinction." We are sorry, Charles, the mark of "Distinction." We are sorry, Charles, the mark of "Distinction." We are sorry, Charles, the mark of "Distinction

ALPHEUS F. KERSH

OF

LEESBURG, MISSISSIPPI

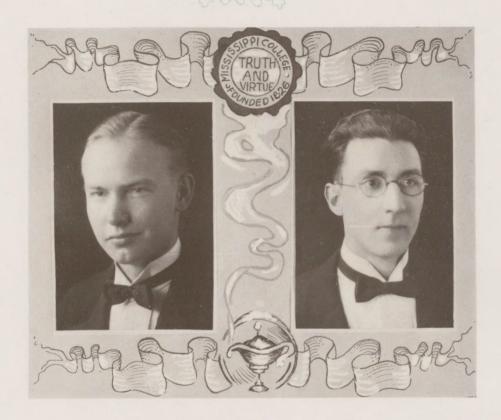

B.A. Degree; Class Basketball (2, 3); Class Football (4); Commercial Club (3); Treasurer of Education Club (3); Hermenian.

Kersh has made a record of which any man should feel proud. He is a hard worker and seems to have a liking for science. When he graduates in June, Mississippi College will lose a man in every sense of the word.

Kersh has demonstrated his athletic ability in class basketball and football. In all things he has shown the same old "fighting spirft" which characterizes a true Choctaw.

We predict for Kersh a future of futures.

WEBSTER ERNEST HAMILTON

OF

GEORGETOWN, MISSISSIPPI

B.A. Degree; Freshman Debating Team, '24; Varsity Debating Team, '25, '26, '27; Business Manager of the Collegian, '26; Fall Orator Hermenian Literary Society, '26; President of Hermenian Literary Society, '26; Honor Council. '27; Aristophronic Club; Hermenian Anniversarian, '27; Distinction.

"Things must be green in order to grow," but few of the "green throng" who became Papooses in '23 realized the opportunities as keenly as W. E. From the very first day he has been a hard and persistent worker. He made the freshman debating team his first year here, and the following years have found him steadily climbing. In everything he undertakes, he gives of his best and gives it gladly. We are proud to count him as our friend and Choctaw brother. In the years to come may we be prouder still to count him among our friends. For him we predict a future as bright, as happy, and as successful as his days in Choctawland have been. Here's to you, W. E. We're counting on you.

AUBREY B. HILL

WATER VALLEY, MISSISSIPPI

B.A. Degree; Band and Orchestra (1, 2, 3); Class Football (3); Masonic Club (1, 3, 4); Vice-President Music Club (4); Ministerial Student; Education Club (4); Three-Year Club; Secretary-Treasurer Band; Hermenian.

"A. B." is one of the class of students whom we naturally respect. He seems to silently radiate a friendly atmosphere wherever he goes. He never made a practice of fault-finding. It is not known by the writer that any student ever made a harsh remark about him. He is liked by all. He was especially loyal to the college band on which he served for three years. He responded to the call of his country in time of war, and now he is answering the greatest of all calls, the divine call of spreading the gospel of peace.

MARIA JOHNSON LATIMER

OF

CLINTON, MISSISSIPPI

B.A. Degree; Distinction; Philomathean.

We were all glad that Mrs. Latimer saw fit to cast her lot with the Class of '27. She has proven that she has grit and determination by taking care of "Zeus" during these four years and finishing with honors.

Mrs. Latimer is highly respected and loved by all her classmates. Se is leaving us this year, but not for good, as she will be nearby to cast her motherly tenderness upon the student body at all times.

H. D. WORTHY

OF

CLINTON, MISSISSIPPI

B.A. Degree

Worthy is another man who has seen fit to cast his lot with the Class of '27. During his stay with us, he has made a brilliant record, and he commands the respect of all who know him.

Worthy is a man who is always known to uphold the right, and we are proud of any man having the caliber of H. D. Worthy.

We take pride in predicting for Worthy a bright future as one of the foremost educators of the land.

BERYL ROBERTS

OF

JACKSON, MISSISSIPPI

"Sweeter than honey and the honeycomb."

We know that M. W. C. mourns the loss of this wonderful girl, but we are glad Beryl saw fit to cast her lot with the Class of '27.

Pretty, studious, modest, and helpful are the adjectives that describe "Bobbie." She has embodied within her the qualities which symbolize an "all-round" girl. Steadfast and true! What a host of friends she has made during the past year. Beryl, we are glad to have claimed you for this short year, and the Class of '27 bids you goodbye with best wishes for you always in all ways. in all ways.

KARL STINGLEY

OF

JACKSON, MISSISSIPPI

Karl came to us from the Capital City of our state. Durin his brief three years with us, he has been found to be a gentleman, a hard worker, and a true friend.

Karl's fellow students can by no means fully realize the place he has held in their hearts until he is gone, leaving an aching void that cannot be refilled.

During his stay with us he has proved to be one of those rarest of combinations, a scholar, a leader and a "ladies' man."

To you, Karl, as you go out into the medical world, the students you leave behind give you their best wishes.

ROGER C. THOMPSON

LAUREL, MISSISSIPPI

B.A. Degree; Graduate from Clarke College, '25; Class Football (3, 4); Class Baseball (3, 4).

Roger came to us from Clarke College, and he has become very prominent and successful during his two years with us. He brought with him abilities which have helped the Class of '27 very materially. Roger is a quiet fellow, but deeply in earnest and with a lasting love for his class and the Choctaws. When Roger graduates in May we will lose a valuable man, but the world will gain one. We wish him all the success in the world in his life's undertaking.

KATHERINE VARNADO

OF

GLOSTER, MISSISSIPPI

B.A. Degree; Co-ed.

This energetic, alert, enthusiastic Athenian halled not from Greece, but from one of the best little hamlets in the great Magnolia State. "Kath" has only been a member of our class for one year, but showed the "stuff" that great women are made of. She is an idealist; she loves to climb the mountain peaks and dwell in the land of beautiful thoughts and lofty sentiments. Yet, with all of her idealism, she has a warm, loving sympathy that radiates to all with whom she mingles; and, indeed, to know her is to like her. Katherine, the Class of '27 was glad to call you one of their members and wish you much success.

RUBY ELLEN EVANS OF

CALHOUN CITY, MISSISSIPPI

B.A. Degree; Graduated from Hillman College, '25; Member of Three-Year Club; Member of Co-ed Basketball Squad; Member of Hypotia English Club.

Member of Co-ed Basketball Squad; Member of Hypotta English Club.

Ruby has been a member of the Class of '27 for only one year, but had proven to be one of its most loyal members. "Tite" says, "No girl on the campus is better to look upon." In fact, he says, "She is pretty," and everybody takes him at his word. Adjectives fail when we try to describe her. She has a charm, a vivacity, and an appeal all her own that draws hearts to her. She is a good student, and no class ever finds her unprepared. Ruby, may the future unfold many hidden treasures to your life, and may you ever be the influence and help elsewhere that you have been here.

W. ADRIAN KING OF Memphis, Tennessee

"Nephew" was born very young, and at an early age he began mixing $\rm H_2O$ and $\rm H_2SO_4$ B.A. Degree; Fellow in Chemistry (3, 4); Freshman Football; Football Trainer (3).

Being of a scientific nature, he has stressed the study of chemistry since coming to Mississippi College, and he was one of the instructors in that department. His ability in chemistry is not all, for he is a well-rounded man. This personality is part of his stock in trade.

"Nephew" has been with us only three years. During this time, we have learned to regard him as a man of great possibilities. He has taken part in all college activities. What else can you ask of only men? He leaves us this year to continue the study of chemistry. Success awaits him with outstretched arms.

HENRY FREDERICK MOAK

OF

McComb, Mississippi

B.A. Degree; S. I. A. A. Cross Country Championship Team (2, 4); Spring Track (2, 4); Glee Club (2); Philomathean Anniversary Ticket (4); Three-Year Club.

During Moak's stay with us, we have come more and more to appreciate his sterling qualities. By daily practice and training he has developed into one of the best runners in the state, and his continued efforts in this branch of athleties have enabled the Choctaws to win many meets. Fred does not let his athletic ability interfere with his studies, and throughout his stay here, he has been one of the foremost in his classes in scholastic work. He has also taken an active part in one of the literary societies. His loss will be keenly felt, but we rejoice to realize that he will then be putting his talents to use on a far larger scale, where the world will profit by his efforts.

CAPITOLA HORTON

OF

WALNUT, MISSISSIPPI

B.A. Degree; Co-ed Basketball Team (4); Treasurer Hypatia English Club (4); Distinction; Philomathean.

"Variety is the spice of life" is also true of college life. Although Capitola has been a member of the class only two years, her merry wit, laughing good nature, and charming personality have been as a savery spice to our college days. She came to us from Hillman College, where she has made a splendid record. Although it has meant persistent work for us, we have been glad to try to follow her example here. Modest, unassuming, gifted, a loyal friend to both boys and girls is Capitola. We are glad to claim her as a member of the Class of '27. Capitola, as you go out into the broader field of life, our best wishes attend you. In whatever you strive to do, may success be yours.

CARL P. WELLS OF

MT. OLIVE, MISSISSIPPI

B.A. Degree; Class Basketball (1, 2, 3, 4); Masonic Club (3, 4); Hermenian.

Wells has not been a member of this class for these four years, but we do welcome him as a member this year. His consistent work has enabled him to leave a good record behind him. Wells has demonstrated his ability as an athlete on the class basketball court, and he has always shown the "fight to the finish spirit" in whatever he undertook to accomplish.

We are glad to see Wells get his "dip," but we regret to lose him from our college

activities.

ALBERT M. WELLS

OF

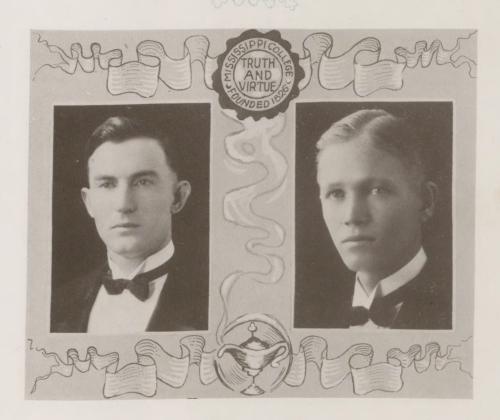

MT. OLIVE, MISSISSIPPI

B.A. Degree; Masonic Club (1, 2, 3); President Masonic Club (3); President Sullivan's Hollow Club (3); Philomathean.

Albert came to us from Mt. Olive in the fall of '23. He has been a member of this class for these years, and he has been depended upon to help in any undertaking.

Wells was president of the Masonic Club and made that organization a very capable leader. He was a hard worker, as can be seen by his record. He was a real "shark" in German and modern languages.

We can see a very bright future for Wells, and we do sincerely hope that he will be successful in whatsoever he undertakes to do.

CLIFFORD W. BARNES

OF CLINTONG, MISSISSIPPI

B.A. Degree; Education Club; Masonic Club; Ministerial Association; Aristrophonic (English) Club; Secretary-Treasurer Attala County Club (3); Three-Year Club; Distinction; Hermenian.

Faithful as a student and as a friend is true of Barnes. He is honored by all who know him; when he receives his diploma in June it will be another star added to his crown. He is a member of the "Three-Year Club" and his diploma will bear the mark of "Distinction." In addition to full-time college work, he is pastor of several churches. We are expecting him to keep on climbing, and some day we hope to see him as one of the leaders of his denomination.

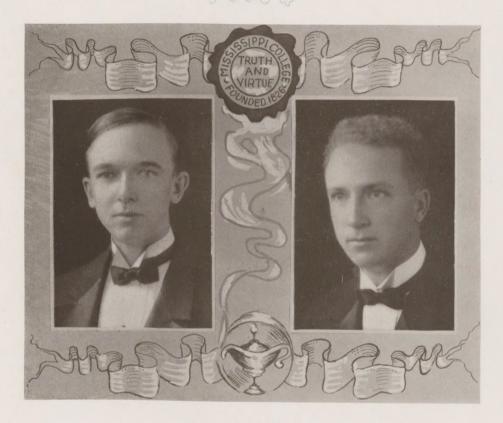

BENONA DOUGLAS

SONTAG, MISSISSIPPI

"Dug" came to us last year, a graduate of Clarke College.

In spite of the difficulties in his path, the indomitable spirit of the Choctaws has kept him climbing upward to the finish. He is a quiet, peaceful, fun-loving, and ardent student, a true gentleman, a man who has won the respect of all with whom he has come in contact.
"Dug" is a candidate for Matrimony, and asks that all the ladies cast their votes for him. Beware Ben, Solomon says, "The first hundred wives are the worst."

FRANK SHULER COLE

OF

CANTON, MISSISSIPPI

B.A. Degree; Band (2, 3, 4); Music Club (3, 4); Commercial Club (4); Three-Year Club; Philomathean.

Shuler hails from Canton "Hi" and came here with a good record as a musician. This record has been very satisfactorily maintained. He has also been a good student, and his quiet, modest ways have won for him many friends. Shuler has not as yet stated publicly what his aspirations for life are, but we know there is one, for he has shown very plainly that there is something high and good ahead of him. We know he will live a fine, clean life, for we have known him to be one of the cleanest and finest of the boys. We feel no hesitatancy in prophesying for him a most prosperous future.

STARKIE ANDREW SORRELS

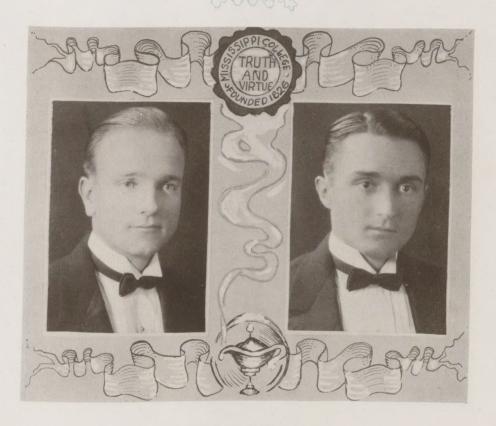

OF

GULFPORT, MISSISSIPPI

B.A. Degree; Distinction; Philomathean.

Four years of college life has changed Starkie into a most sincere, honest, lovable, quiet, sedate and thoughtful gentleman. During his stay on the campus of Mississippi College many have been attracted by the charming personality and pleasing smile of his. This "Chap" is one of the best students in school—one who sets a goal and never quits till he reaches it. He takes a great interest in the affairs of the college, and in all things which concern the good of the student body. Judging by his perseverance and hard work, we depict a great and glorious future for our friend and classmate.

THE 1927 TRIBESMAN

ROBERT L. COMPERE

OF

FLORENCE, MISSISSIPPI

B.A. Degree; Class Basketball (2, 3, 4); Class Track Team (3, 4); Bar Association (2, 3, 4); Three-Year Club; Philomathean.

"Comp" is another one of those fellows who are not content with being an average student. He brought with him to Mississippi College the memory of being the outstanding student of his high school class, and he has fully lived up to that honor as a student here during the three years he has been with us. He has the confidence in himself that only experience will give, and he has taken advantage to the fullest of the training facilities here. Whether he will be a school teacher or a lawyer, "Comp" will always be an asset to those around him, and a very highly esteemed member of the Class of '27. Here's to you, Robert.

LONNIE L. MAY

OF

HARPERVILLE, MISSISSIPPI

B.A. Degree; Mississippi College Bar Association; Three-Year Club; Class Football (1, 3); Hermenian.

May is very quiet, modest, and unassuming and combines within himself the qualities of gentlemanly, courteous and consistent work that always means success in the end. May intends to take up law as his life's work, and we are sure that he will make a wonderful success of it. Lonnie has won the love and respect of all his associates, and surely our lives have been made better by having come in contact with this man. It is our sincere hope and belief that he will make good in life in a great way.

LEE EDWARD McGOWEN

OF

SEMINARY, MISSISSIPPI

B.A. Degree; Secretary and Treasurer of Ministerial Association (3); Member of Three-Year Club; Fall Orator Hermenian Society (3); Second Orator on Hermenian Anniversary Staff (3); Hermenian.

Of the various and sundry happenings of this man's life gained through our association with him, we can tell but a small part. As a student, it could not be said that he studied to spot his professor and get high grades for grade's sake alone, but more so to learn his work as the subject matter was presented. Lee has made a splendid record while at M. C. One to be proud of, and the Class of '27 predicts much success for him.

MRS. WILLIAM CLAUDE MORGAN

OF

Ponotoc, Mississippi

B.A. Degree; Graduate from Hillman; Hypatia English Club; Mississippi Choctaw Squaw; Hermenian; Distinction.

Kate Durham has been a member of our class for only two years, but has been a very loyal member during this time. Her willingness to help in all things in which she had a part, and her good nature have made us proud that she was a classmate. Loyal, faithful friend. devoted, consecrated Christian, thorough, illustrious student, best describes Kate Durham. Whatever life holds for you, Mrs. Morgan, meet it in the way you have met life at Mississippi College and truly for you "There shall be no Alps."

EFFIE AGNES GARDNER

OF DIXON, MISSISSIPPI

A.B. Degree; Graduate Clarke College; President Y. W. A., '22, '23; President Enterpean Literary Society, '22; Reporter Baptist Student, '23; Literary Editor "The Seer," '23; English Club; Education Club; Hermenian.

Clarke College's loss was our gain when Agnes came to us this year. She is a polished, courteous, refined lady, having the confidence of her many friends. Agnes has been a faithful follower and constant helper in the one year that she has been a member of our class. There is no doubt that Agnes will make her mark in the world, either as a famous teacher or as a helpmeet for some lucky man. Whatever your project, Agnes, remember that the good will and best wishes of our class will always back you.

SAM HOUSTON CHAPMAN

OF

Union Church, Mississippi

B.A. Degree; Philomathean; Three-Year Club; Extension Director of Ministerial Association (3, 4).

In the fall of '24, when Sam entered college, he had the intention of working hard and making good, and now his ideal has become a reality. By meeting all obstacles and difficulties with a smile, and by fighting harder when his back was against the wall, he has completely won out. One of the high spots in his college career is his record as a member of the Philomathean Literary Society. Sam is a high, noble and praiseworthy fellow, who belongs to the class of those who win by studying and working. If hard and honest work ever won out for a fellow, surely Sam will be a captain in the front ranks.

WILLIAM A. BELL

OF

WINONA, MISSISSIPPI

B.A. Degree; Philomathean; Secretary of Spanish Club (3); Reporter of Ministerial Association (3); President English Club (3); President Masonic Club (3); Y. M. C. A.; Assistant in English; Winona Club; Three-Year Club; Special Distinction.

Just a few years ago Bill held a good position, yet he wasn't satisfied because he had a conviction that God needed him in a bigger and broader field. Thus it was that Mississippi College became the happy parent of a brilliant and meritorious student. The merit of Bell's work has been proven by the fact that he was given a position as assistant in the English

department.

Bill is a nice, quiet, modest, and friendly fellow. He always tries to do right, and never fails to champion the cause of Right. His career as a Choctaw is complete, except that he has never had the privilege of participating in a "Stute" reception, because of being bound by the bonds of matrimony. He will continue his studies at the Theological Seminary, and is expected to make a very efficient preacher, for "he believes to build, not to boast."

CARROLL LEE PELL

OF

WESSON, MISSISSIPPI

B.A. Degree; Education Club (4); English Club (4); Three-Year Club; Hermenian; Special Distinction.

Our friend from Copiah County, with the copper-colored hair and the placid disposition, is a three-year man with a four-year finish. If Pell ever said, "I don't know" in class, it was in response to such a query as the one about irresistable force and immovable object. Possibly his steadiness and reliability characterize him most. He is truly "a scholar and a gentleman."

L. F. FOWLER OF CLINTON, MISSISSIPPI

During this man's stay with us he has acquired a host of friends, and none know him but to admire him. They see in him a man who is honest in his convictions and loyal to that in which he believes.

He has been a pastor, and from reports reaching us, we feel that he has not missed his calling. In addition to church work, he stands at the very top in his school work.

We are fortunate in having known and associated with such a man as Fowler, and he goes forth followed by our sincerest prayers for a successful and happy career.

RUFUS ROYD WALKER

OF

TAYLORSVILLE, MISSISSIPPI

B.A. Degree; Ministerial Student.

The Class of '27 has only known Walker for one year, but we are glad to claim him as one of our members. A hard worker, a gentleman, and a student, he is true to his fellow students. Only by a close and personal friendship can a person know the real worth of Rufus. Time can but ripen such a personality into a cereer rich with brilliant achievements, and we predict that some community, as well as his class will point with pride to this man as a veolet present. noble pastor.

WILLIAM W. ALLRED

OF

LAUREL, MISSISSIPPI

B.A. Degree; Masonic Club; Ministerial Association; Hermenian.

After he went out into actual life God called him to preach, and he came back to get better prepared. Although he has been a pastor and student at the same time, he never "let up" on either, but fought through them both to the bitter end. He works hard all the year round. He is congenial and pleasant and has nothing but friends among his fellows at M. C. In observing his real worth we can say that he has a bright future in his chosen profession.

FLORIAN H. MILLER

OF

BILOXI, MISSISSIPPI

B.A. Degree; Hermenian.

Miller is a ministerial student, and one of those men who are seldom seen, but are always there with a prophet's vision of the future. A Trojan's hard work and persistency, he practices a good motto, "Up and Do." Always standing for high ideals, he has made a lasting impression among his fellows.

And now he goes forth to leave us and pursue his work in the ministry. His time here has been well spent, and as he goes forth in life we are behind him in everything he undertaker.

D. W. NIX OF CLINTON, MISSISSIPPI

B.A. Degree; Ministerial Student; Hermenian.

Nix launched into his work for his degree with admirable vim and determination, and as a result won honors. He has proven himself a worthy son of his Alma Mater, and has always been ready to uphold her high and noble ideals.

Nix has proved himself to be a very conscientious student, ever ready to lend a helping hand to a brother in trouble.

He has chosen the ministry as his life profession. He is eminently fitted for his high calling as a Christian leader. The best wishes of the entire class for his success in his chosen field follow him.

R. W. PORTER

OF

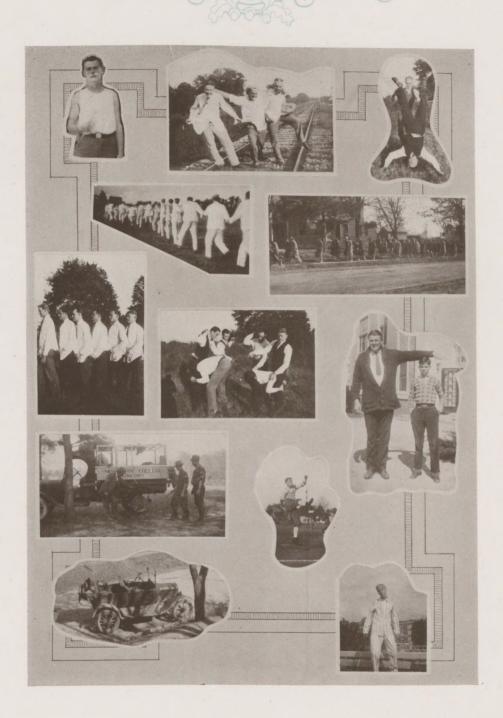

CLINTON, MISSISSIPPI

B.A. Degree; Ministerial Student; Hermenian.

"Here comes a good fellow," so say we when Porter comes around. He is a good fellow in many respects, both in the classroom and on the campus.

Porter has chosen the ministry as his life work, and since entering college he has centered his efforts upon the accomplishment of this worthy purpose.

He has played a prominent part in the various activities of which he has been a member. He lets nothing interfere with the duty at hand, and the Class of '27 has confidence that success will early reward him in his chosen profession.

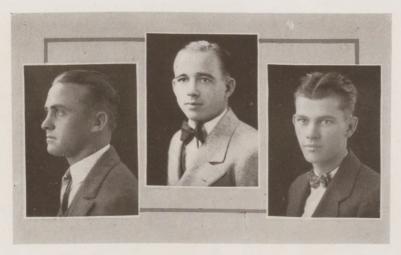

JUNIORS

ADAMS

LOVE

Junior Class Officers

Junior Class History

The Class of '28, with its many-sided brilliancy, may be likened to a diamond of "purest ray serene." Of course a connoisseur of precious jewels may have mistaken the gem for an emerald when it first shown forth from its present setting, but that perception of color was probably due to the reflection of the tinge of the surrounding mounting. However, it is true that the stone was not as finely cut and polished at that time as it now appears, for at present the most dazzling rays of color-fire flash out from every facet. No matter from what angle it is observed, it challenges the eye with unequalled radiance.

Through the sessions that have passed since that memorable morn when we first assembled here, we have excelled in all college activities. In scholarship, athletics, religious activities, music, literary work—in short, in every field of collegiate interests the class has attained, indi-

vidually and collectively, high places of honor and achievement.

Under the splendid leadership of Kearney Walters, James G. Blaine and L. E. Cliburn, the class of '28 has written its name in eradicable letters upon some of the brightest pages of college history. May its members continue to hold aloft the banner of the great class of '28. HARLAN J. MURPHY.

LLOYD MOORE

OF

WINONA, MISSISSIPPI

Class Cross Country Team, 1, 2; Class Track, 1, 2; Class Baseball, 1, 2, 3; Class Basketball, 2, 3; English Club; Y. M. C. A.; Executive Council; Winona Club.

Sophomore Poem

I am the worthy Sophomore,
As wise as wise can be;
I boast myself on my knowledge galore,
And pride myself in me.

Perhaps this sounds like arrogance
Or even like conceit;
But I have won such amazing renown
My greatness is complete.

I give the school its only brains;
I furnish all its brawn;
The greatest men in the Choctaw pow-wow
From my good ranks are drawn.

They all forgive my seeming pride,
And join in my applause;
They all can see that the Choctaw's on top
And know that I'm the cause.

The Freshman

Behold us! A class of young Freshies,
We're not half as dumb as we look,
We make all our profs think we are studying,
But really don't open a book.

The Sophs think they're beating us sorely,
When really a pillow is the thing
That takes on its innocent surface
The force of each terrible swing.

We're errand boys here in college, Or so they all think us to be, But no one has half so much leisure And time to be waisted as we.

Hurrah for the life of a Freshman,
And don't ever think we're the goat;
We do all their biddings and orders,
But leave them the problems to tote.

TULLY MCCREA.

LEE

GEORGE M. BOHLER Director of Athletics

No coach was ever held in higher esteem by the men under him or by the students of a school than George M. Bohler. Loved and respected by all for his quiet, efficient and considerate manner, George Bohler is all that is to be admired and expected in a coach. He is now finishing his fourth year at Mississippi College, and the progress that has been made along athletic lines may be credited to the untiring work of this man.

EDWIN "GOAT" HALE Assistant Coach

"Goat" Hale, Choctaw product and All-Southern halfback and shortstop, is now completing his second year on the coaching staff of his Alma Mater. He has proven a capable right hand man to Coach Bohler and is intrusted with the coaching of the varsity baseball nine, as well as assisting with the varsity eleven. His ability as a coach is known and recognized, and Mississippi College is fortunate in having him on its staff.

GRIFF C. LEE Freshman Coach

Coach Lee, also a product of Mississippi College, is another member of the coaching staff who is rounding out his second year. Coach Lee was a star performer for the Choctaws in his day, and he is succeeding in developing some good men for varsity competition from the ranks of his freshmen. Coach Lee is liked by all for his genial good nature, as well as his efficiency. Coach Lee also has charge of the gymnastic work and he is making a fine success of all his tasks.

Freshman Athletics

HE freshman teams of this year have maintained the high standard set by their predecessors, and in every line of sport have exhibited some unusual material for varsity competition in the years to come.

In football, the Frosh made a fine record, although they suffered two defeats at the hands of the Aggie Bullpups and the G. C. M. A. Cadets. However, the season as a whole was very pleasing, especially from the view-

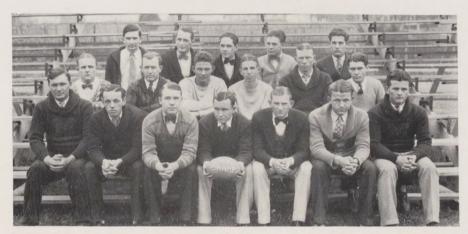

point of furnishing men for the '27 eleven. Some extremely promising men were revealed by the freshman tilts, and much is expected of these men during the next season.

In basketball the freshmen have one of the best fives in years to represent a Papoose class. Some of the leading men of the high school teams that were here for the state tournament last year are enrolled in Mississippi College this year, and from them Coach Lee has succeeded in molding a most creditable five.

In all other lines of sports freshmen have been active. They have some good track men in their ranks. Prospects for a winning nine are bright. They have a number of mean racqueteers in the class. The 1930 class is indeed blessed athletically.

SOPHOMORE FOOTBALL TEAM Interclass Champs, 1926-27

SOPHOMORE BASKETBALL TEAM Interclass Champs, 1926-27

THE BASKETBALL SQUAD, 1927

Basketball, 1927

OME of the hardest teams in the state and in the S. I. A. A. were met and defeated by the Choctaw cagers the past season. In fact, the season just ended was one of the very best that Mississippi College has ever had in her long history.

Faced with the task of building a new team almost altogether because of the loss of five first-string men, Coach George Bohler, renowned authority on basketball, constructed one of the fastest passing and most accurate goal-shooting machines in the entire South.

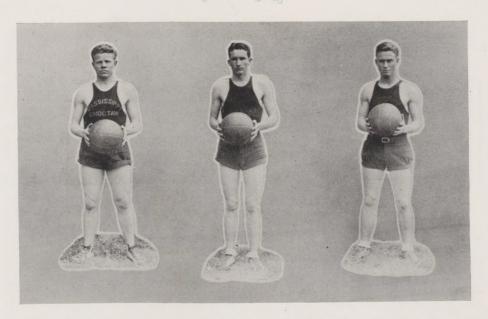

Nineteen games were played during the season. In these nineteen games the Tribesmen piled up a total of 676 points to 555 for their opponents. This is a record any team should be proud of.

As champions of the Southern Intercollegiate Athletic Association, the Chocs certainly played as champions. As proof of their power, they are this year undisputed champions of Mississippi by virtue of their having won over Millsaps and A. & M. after the Aggies had tied a series with Ole Miss.

Peeler in center was the mainspring of the Choctaw machine the entire season. Many a brilliant play was begun by this lanky brave, and many a would-be brilliant play by the opposition came to naught mainly because of this Peeler's efforts. Chain, Wilson and Nutt all played well at forward. Lee, Denton and Moore were the very capable guards of the machine, although Moore was used at forward a great deal toward the waning of the season.

A score of the past season's games is as follows:

Jan. 15	Choctaws.						33;	D'Lo "Y"							27
	Choctaws.						41;	Centenary							25
	Choctaws .						34;	Centenary					,		19
Jan. 21	Choctaws .						21;	A. & M							27
Jan. 31	Choctaws .						24;	Louisiana	Co	llege					34

	Choctaws						38;	Millsaps.							36
3	Omocett 115	7 :	-	-											

Moore, Captain, Guard

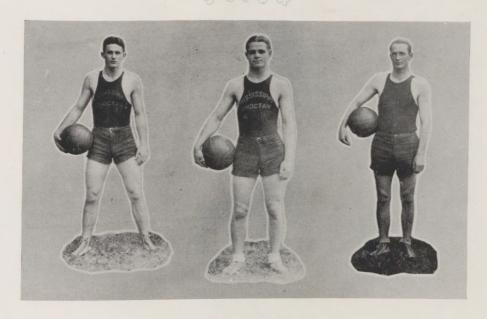

Captain Moore, veteran of three seasons and leader of this year's five, is a player of considerable value, due to his versatility. Although a guard regularly, "Hot" could be moved to forward, where he would perform in the same steady manner. Always there full of fight and pep, "Hot" made a good leader, and it is only deserving that the honor of leading a very successful five should fall on his shoulders. Moore is a senior and has performed his last time for the Gold and Blue.

PEELER, Center

A natural basketball player aptly describes Peeler. A thorn to the opposition on either offense or defense, Joe was one of the mainstays of this season's team. His ability to handle the ball was nothing short of marvelous, passing with great accuracy, looping the ball through the basket at frequent intervals for counters, and breaking up the opposing team's passes with ease. We are glad to say that Joe has one more year with the Choctaws, he just being a junior this year.

BURNHAM LEE, Guard

Lee is a mighty good guard, but not only is he a guard—he also has a good eye for the basket. Lee is always there to get the ball off the board if the opposition got a shot, and he can be counted on to bring it out. Quick and fast, passing hard and accurately, dribbling with ease, he carries the ball over the court at will. "Sheriff" is only a junior, so we will have him one more year.

CHAIN, Forward

This flaming "Red Top" and his ability to drop the ball through for counters, regardless of how closely he was guarded, proved the undoing of more than one opposing five in the season just passed. "Red" possesses all the qualities of a good forward—fast, accurate in passing and shooting, and plays a beautiful floor game. "Red" also classes as a junior and will have one more year to spend in a Choctaw uniform.

WILSON, Forward

Wilson proved to be a good mate for "Red" at the forward post, and he always accounted for his portion of the score. His floor work and dribbling were his outstanding qualities. Once he got the ball, he was hard to stop. "Scout," unfortunately, is a senior and will not be back for another season. We lose a good man who has performed faithfully and well.

DENTON, Guard

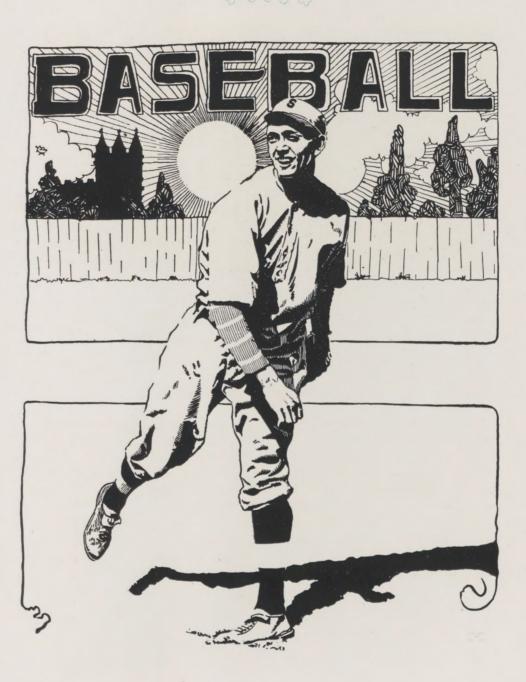

Although this was his first year on the squad, Denton proved his worth as a basket-ball player. He filled the post of standing guard very satisfactory, and was a hard man for any forward to score on. Keeping close watch on the play all the time, Denton aided greatly in keeping the opponents' score low. "Zeus" is only a sophomore, and will have two more years on the squad. We predict a great basketball future for this fighting Choctaw.

Freshman Basketball

The 1927 Freshman basketball five enjoyed a most successful season, emerging with a clean slate. Playing a stiff schedule with all the leading junior colleges and freshman fives of the state, they proved their worth. Some of the teams that felt the Papoose tomahawk were their traditional rivals, the Millsaps Minors; the Clarke College Panthers, the Hinds County Aggies, and the Poplarville Aggies. Some of these teams were unusually strong, and it was an honor to vanquish them.

A few of the outstanding performers who are expected to be strong contenders for varsity berths next season are Branch, center; Herman, guard; Miller, forward; and Myers, forward. There were many other good men on the squad, but these seemed to overshadow the others a bit.

CAPTAIN LEE

Captain Lee

Few baseball players can equal "Sheriff" Lee in ability. A natural athlete, performing with credit in football, basketball and baseball, he will prove to be a most excellent captain for the 1927 nine. Lee plays the position of shortstop and he hits the old apple with a big wallop. He is one of the most outstanding college players in the South.

Baseball Schedule for 1927

Time			Team	Place
March 28, 29			L. P. I	Clinton
April 6, 7 .			University of Wisconsin	Clinton
April 13, 14			. University of Iowa	Clinton
May 4, 5			L. P. I	Ruston
May 6, 7	 		Centenary Sh	reveport

Two games with Louisiana Southwestern pending. Dates for the four-game series with A. & M. and Millsaps are to be arranged during the playing season.

BASEBALL SQUAD, 1926

Baseball, 1926

HE BASEBALL TEAM of the past season was under the efficient tutelage of Coach Edwin "Goat" Hale, former outstanding football and baseball star of Mississippi College, and enjoyed a very good season. Many of the South's best collegiate teams were engaged in combat, and in ten games the Choctaws emerged victorious, while they lost only seven.

"Red" Sweeney was captain of the team last year, and never has a more deserving man been captain of a Mississippi College team.

Again, "Red" Holliday held down the receiver's position on the team. On the mound, Sweeney, Kendall and Simmons were the Chocs' best hopes. First base was capably held down by Cohen Jenkins, while the keystone bag was safely taken

care of by "Pluck" Berry. "Sheriff" Lee handled things in a highly efficient manner on short, besides leading his team at bat with a percentage of well over .300. McCool and Dickerson divided time on the hot corner. In the outfield, Tommie Johnson and "Doc" Hall played left and centerfield respectively, while right field was played at various times by Gillentine, Dickerson, Chain and Laird.

The season began with one game with L. P. I., and from then until the last batter facing "Red" Sweeney in the last Millsaps game, flied out to "Mama" Laird in right field, the Choctaws had their hands full.

The first three games were played on the campus with the Choctaws taking a couple, defeating L. P. I. and Millsaps, but losing the third to University of Wisconsin after a hard fought battle.

The Braves went to A. & M. the next week for two games, losing both of them on account of their inability to hit effectively. A. & M. came to the local campus the following week and again licked the Chocs twice. Chapman held the Indians to one hit in the first game and won, 4 to o. The Indian outfit went completely to pieces in the second tilt, making fifteen errors, and the Bulldogs went back home with another victory, this time 17 to 2.

Howard College next met the wrath of the battle-scarred Chocs and were beaten in a game replete with errors.

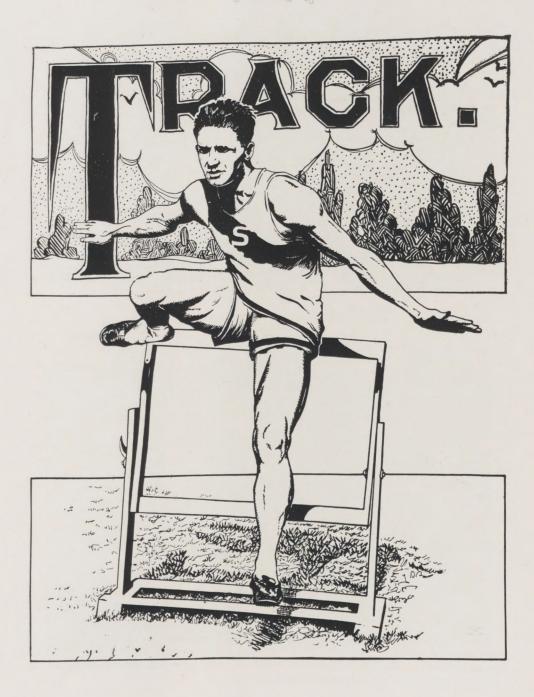

The Warriors then left on a six-game trip into the wilds of Louisiana, where they won four and lost two. They defeated Southwestern Institute and Louisiana College, but allowed L. P. I. to take two out of three from them.

They then returned home and had little trouble in disposing of Millsaps in three straight tilts. "Red" Sweeney hurled himself to fame in his last collegiate game when he held Millsaps to four singles and fanned five batters to win 8 to o.

Only two letter men are left as a nucleus for this year's squad, but Coach Hale, with his splendid ability, should be able to mold a good team, irregardless of the great loss.

Results of last year's games:

L. P. I											4-	4-	8-1	;	Mississippi	College					 . 1	4-	3-4	-15

CLIBURN

CLIBURN
Captain Cross Country

"Deer Foot" Cliburn is one of the best long-distance racers in collegiate circles. To him goes the honor of the captaincy of a championship teams in succession, as he has been captain for the last two seasons.

Adams

Adams Captain Track

George Adams is a track man of more than usual ability. Last year he was one of the high point men in the S. I. A. A. meet. This year he expects to do better himself, and at the same time lead the Choctaws to the championship. He is a dash man.

COACH SID ROBINSON

Track has taken a new stimulus under Coach Robinson. Although he has been here only one year, he has succeeded in creating a great amount of interest in track and has done well with the material he has out. Coach Robinson is the holder of several records himself and he has the ability to coach others how to be successful in track.

1926 TRACK SQUAD

1927 CROSS-COUNTRY TEAM S. I. A. A. Champions

Track Talk

RACK at Mississippi College has reached great heights within the past few years. With the gradual increasing interest in this branch of sport, Coach Robinson has been able to turn out some creditable teams.

For the past two years the Choctaw cross-country team has won the S. I. A. A. cup offered in the annual road race at Birmingham. Next year the S. I. A. A. is going to have an independent cross-country meet of their own, and Mississippi College was honored by having the first meet of this kind to be awarded to it. Next November, when this meet occurs, the

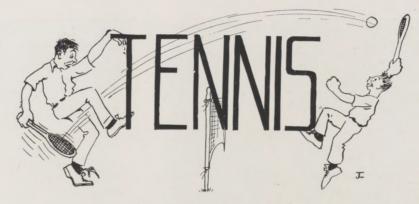

Choctaws expect to ring up their third consecutive championship.

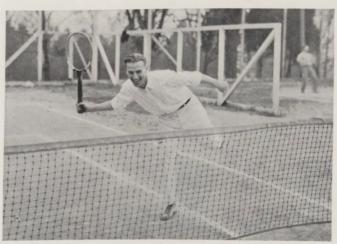

Another feat of the cross-country team this past year was the defeating of the A. & M. Aggies in match here in the wigwam during the centennial celebration. The Aggies have always been strong, and it speaks well for the Indians to turn this trick.

In track we are gradually improving all the time. This year we should win the S. I. A. A. meet. Last year we placed third, due principally to Captain Adams, who was one of the high point men of the meet. With the material now in sight, the Choctaws should produce a team that will prove a serious thorn to any team attempting to take this year's meet.

Several dual meets are now being dickered for—one with our ancient rivals, the Millsaps Majors, being already scheduled. Others will no doubt be added to the list before the year is out.

There is little doubt but that track has come into its own in Mississippi College, and the Indians will be strong in this department in the future.

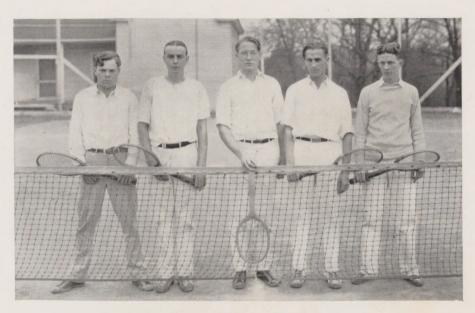

Tennis Sidelights

Tennis is one of the most popular sports in Mississippi College among the students as a whole. A large portion of the students are regular players of the game, and last year, in keeping with the big interest manifested in it, tennis was elevated to the rank of a major sport.

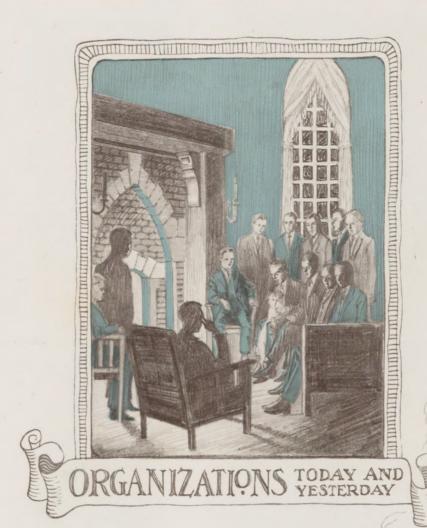

The racqueteers had a very successful season last year, winning the doubles in the state tournament. They also played several dual tilts with different colleges, winning most of them. This year a team will be sent to the S. I. A. A. tournament at Birmingham, and we are expecting them to give a good account of themselves. The Choctaws have several men who are exceptionally good at wielding a racquet, and these men will ably represent Mississippi College on the clay court this season, even surpassing the record made by the squad of last year.

ANNOUNCEMENT

For over one hundred years Mississippi College has stood for the making and education of real men. Men with high ideals of Christianity—men of honesty—men who live above the crowd, in public duty and private thinking. Men who hold the name of Mississippi College aloft in the South and throughout the Nation.

Mississippi College is justly proud of her sons in every walk of life. The men of Mississippi College are a blessing to all with whom they come in contact. Each new day finds Mississippi College men coming to the front in every line of endeavor which is for the bettering of society. That this spirit may always dominate those who follow in the paths where the alumni have trod is the earnest wish and prayer of the college.

To the present students and those to come the alumni remind us that the standard of Mississippi College must be unstained and true to the traditions of this grand old institution. The alumni are behind us, and we, as students, may profit by the noble examples set before us, so that the day will never come when the name of this old college will cease to be the pride of everyone who has had the good fortune of attending this great old school.

The present staff wishes to acknowledge its gratitude to the patrons and alumni who have made the publication of this the third edition of the Tribesman possible.

Those to whom we are indeed indebted and grateful are as follows:

The Southwestern Baptist Theological Seminary

SEMINARY HILL. TEXAS

A great institution composed of four schools, Theology, Religious Education, Missionary Training and Sacred Music, with two important departments, Practical Work and Correspondence.

Faculty of more than forty well-trained, scholarly evangelistic professors and teachers, and a student body of more than 650 for this session to date.

Great spiritual atmosphere, a fine place for study and practical efficiency.

SUPERPOWER AND INDUSTRIES

A few years ago Massachusetts was the leading textile manufacturing State of the Union. Today North Carolina leads Massachustts by a safe majority. North Carolina had an ideal climate, cheap labor, much cotton, but no industrial power for turning machinery. She went after and brought into the State super-power systems.

Result: Industrial Expansion and More Wealth

Mississippi is the second largest producer of cotton in this country. She has an ideal climate cheap labor, more cotton than North Carolina, and she can now offer the manufacturer the advantages of super-power.

An Abundancy of Economical Power Means Industrial Expansion

BLUE MOUNTAIN COLLEGE

BLUE MOUNTAIN, MISS.

An endowed college for women located in the hill country of North Mississippi, 75 miles from Memphis. Situated on the side of beautiful "Blue Mountain," one of the two highest elevations in the state—the other being only one mile away.

Campus of thirty-six acres, with huge forest trees and springs of pure freestone water flowing about one hundred thousand gallons daily.

est trees and springs of pure freestone water flowing about one hundred thousand gallons daily.

Nine buildings. Five dormitories accommodating about 270 students. Two of the dormitories are operated on the "self-help" plan, where the students do all of the housework, thus reducing expenses considerably. Exceptional faculty of experts trained in best colleges, universities and conservatories of America and Europe. Special advantages in piano, pipe organ, violin, voice culture, expression, home economics, art. The director of our music department has the degree of Doctor of Music from two of America's foremost conservatories.

Entrance only by graduation from accredited high school or by examination. We have no preparatory department.

A sincere, moral influence pervades the institution.
